Professional Summary

Highly motivated and outgoing professional with experience working in fast-paced teams. Skilled in business development, client acquisition and retention, business management, business information and data analytics. I possess strong business acumen and leverages quality relationships for sustainability and profitability. A patient and effective communicator with excellent interpersonal skills. Passionate about finance and technology, continuously learning and adopting new techniques. Eager to apply technical skills to create value and achieve organizational goals.

Objective

To obtain a challenging job that aligns with my skills, education, and experience, and contributes to the growth of the organization.

Work Experience

2017 – PRESENT

HEX LIMITED

Founding Director | Digital Marketing | Web and Software Development

Company Overview

Formerly engaged in the supply of office furniture and stationery, Hex Limited has expanded into digital solutions, notably in mobile app development.

Key Duties:

- Oversee day-to-day administrative and operational functions across departments.
- Coordinate procurement and logistics for office supplies, equipment, and project materials.
- Manage client relations and vendor negotiations to ensure efficiency and cost-effectiveness.
- Supervise staff performance, training, and workflow optimization to improve productivity.
- Support the transition from traditional product supply to digital service offerings.

Key Successes:

- Successfully managed the company's rebranding and diversification from a furniture and stationery supplier to a tech-driven solutions provider.

- Streamlined operational processes, improving procurement efficiency and cost management.
- Enhanced inter-departmental communication and workflow through improved reporting systems.

FEBRUARY 2024 – JANUARY 2025

KCB GROUP-MSME DIRECT SALES REPRESENTATIVE

- Sourcing prospective customers leads from various sources such as referrals, cross-selling opportunities, sales activations organized by the bank or sales leads provided by the bank.
- Explaining the features of the products to prospective customers in line with product features and treating customers fairly.
- Guiding customers on how to fill in applications for the respective product the customer would like to purchase.
- Reviewing of the application and documentation provided by the customer to confirm accuracy.
- Authentication of customer details by checking the original copies against photocopies of documents provided e.g. National ID and passports.
- Forwarding completed applications to the relevant Sales Manager or Retail Support Team, within 24 hours of sign off by the customer.
- Prospecting customers for any other Bank products suitable to their needs.
- Ensuring safe custody of customer documents under their care.
- Forwarding customer feedback or complaints to the respective Sales/Branch Manager.
- Sharing market information from the field to the leadership to improve the bank's products and provide regular Sales reports.

SEPTEMBER 2022 – DECEMBER 2023
